Policies:

An Art and Design Teaching Major must be taken through emergent progression transition to ART 466 and 468; progress through transition steps is recommended as early as possible. Full implementation of PI 34 for teacher and administrator licensing in Wisconsin took full effect on September 1, 2004. All students completing teaching programs for licensing after August 31, 2004 must now meet new licensing and license-renewal rules applicable to their respective programs, including PRAXIS I/PRAXIS II testing and performance-based portfolio assessment.

A student majoring in Art and Design Teaching must complete a minimum of 12 credits in art courses at Edgewood College. All majors must fulfill the Senior Presentation and Critique requirement in order to obtain Art Department approval for graduation.
