Policies:

Due to the interactive nature of the Computer and Information Sciences curriculum, all students in the major and minor degrees are required to use a laptop computer throughout the duration of the program. To obtain specific information about the laptop computer configurations, students should contact the Chair of the Department.

A minimum of two computer science courses in the minor, one at or above the 200 level and one at or above the 300 level, must be taken in the department.

Courses in computer science taken more than five years ago may not be accepted. Such courses are accepted at the discretion of the department.

Courses in the department may not be taken as Pass/Fail.

Courses in the Department of Computer and Information Systems may not be audited.
