**Policies:**

Students seeking to become certified social workers may choose a concentration in Human Services in addition to their Sociology major. Completion of this concentration enables students to take the bachelor-level social work exam in Wisconsin. Passing this exam earns the credential “Certified Social Worker” and allows employment as a social worker in Wisconsin. To qualify for this exam, students must earn minimum grades of C within the Human Service concentration and a minimum GPA of 2.5 within the Sociology major.

The department may accept a maximum of 12 transfer credits in state-approved Human Services or Social Work courses. All transfer credits are subject to the approval of the Department of Safety and Professional Services.

Students majoring in the Social Science Department must maintain a cumulative grade point average of 2.0 in courses in their respective major.

If a student receives more than one grade below a “CD” in major courses, he/she must repeat one of these courses or an approved equivalent and receive a grade of “CD” or above in order to successfully complete the major.

Courses required for the majors may not be taken Pass/Fail.

Twelve credits of the major must be earned at Edgewood College: at least four of those credits must be in the major discipline.

Majors should consult with their advisor about appropriate courses to fulfill their Math (M) and Information and Technological Literacy (I) requirements.
