Policies for the Biology major and minor

Students majoring or minoring in Biology should seek assistance in planning their program of study with an advisor in the department.

Transfer students must take a minimum of 12 biology credits at Edgewood College for a major and a minimum of 8 biology credits for a minor.

Students with specific goals for careers or post-graduate study may be advised to take some College courses at the University of Wisconsin-Madison through Edgewood College's Collaborative Program.

A student must maintain a cumulative grade point average of 2.5 in biology courses. A biology course in which the student receives a grade below "CD" will not be accepted toward the major or the minor.
