Policies for the Chemistry Major

Transfer students must take a minimum of 12 chemistry credits at Edgewood College for a major and a minimum of 8 chemistry credits for a minor. All transfer courses must be approved by the department.

In order to fulfill the Chemistry Major, a student must attain a cumulative grade point average of 2.0 in chemistry courses taken at Edgewood College. If a course is retaken only the most recent grade is taken into consideration in calculating the cumulative grade point average. Any course in which a student receives a grade below "CD" will not be accepted toward the major or minor.

Please consult with your academic advisor to learn the details about how you can satisfy your COR 3 requirement.
