Additional elective courses from future or current course offerings, transfer credits from other institutions, or credit for independent study may be approved by the Environmental Studies Steering Committee for inclusion in the minor.

**Service Activities**

All students in the minor are required to participate in three campus or local service activities related to environmental studies. Service activities are approved by a student's minor advisor.

## Capstone Experience

The program's core courses encourage interdisciplinary perspectives and approaches to problem solving. Toward the end of their program, usually in their final year, students integrate and apply their coursework in a capstone experience. Capstone experiences must be approved by the Environmental Studies Steering Committee and may be fulfilled as follows:

- COR III courses or projects with an environmental focus
- Senior seminar projects with an emphasis on environmental studies
- Capstone projects associated with independent research, field courses, or study abroad

ENVS approved course number and title for Capstone:
