Broad Field Natural Science Policies:

A student must maintain a cumulative grade point average of at least 2.5 in all required core courses in natural science and mathematics and in all courses taken to complete one of the concentrations. Any natural science or mathematics course in which the student received a grade below "CD" will not be accepted toward the major. Transfer students must take a minimum of 12 natural science credits at Edgewood College. Please consult with your academic advisor to learn the details about how you can satisfy your COR 3 requirement.
