3. A Minor in one of the following disciplines: sociology, business, economics, French, history, political science, environmental studies, women's and gender studies or Spanish.

Courses selected for a minor must meet the requirements of the department or program through which the minor is offered.

Policies

An International Relations major must take a minimum of twelve credits of the interdisciplinary core coursework in residence at Edgewood College or through the Collaborative Program, not including courses taken solely for the minor.

The year that prior courses were taken will be considered in determining the acceptability of transfer courses for satisfying the major requirement.
