Emphasis is on the use of French in the classroom beginning with first-year classes. Advanced classes are conducted in French. Upper-level courses may be repeated for credit, provided content is different. Students with three or more years of the same high school language cannot take 101 of that same language at Edgewood College.

Transfer students who intend to continue in language should consult the Foreign Language Department for assistance in choosing the appropriate level course.

All majors must take at least one language course at the 400 level.

3.0 GPA or above in French courses, achieve oral proficiency at the intermediate-high level (ACTFL guidelines), and be approved by the Department.

If the department rotation of required 300 and 400 level courses does not permit students in the major to take them at the College, they may take them at UW-Madison through the Collaborative Program.

French majors participate in residence abroad or an immersion program. All options for intensive language experience must be approved by the Foreign Language Department, the Center for Global Education, and the Registrar's Office.

At least eight credits in French at Edgewood College or at UW-Madison through the Collaborative Program. Retroactive credit and Student Teaching will not be counted toward this minimum.

The year that prior courses were taken must be considered for determining courses' acceptability for satisfying major requirement. Those seeking add-on teaching certification in foreign language must consult with the Foreign Language Department.

Proficiency tests exempting a student from a first and/or second year of foreign language are available upon request and with prior departmental approval.
