Policies:

A minimum of 18 credits in Business numbered 300 or above must be earned at Edgewood College. Note: The 18-credit rule is designed to assure that at least one-half of the credits applied to an Edgewood

College Business Major be obtained through actual Edgewood College RBUS coursework.

Once admitted to the RAAD program, all Business courses must be completed at Edgewood College.

For the purpose of this residency, credit by examination and credit through prior learning portfolio are counted as Edgewood College credits as long as no less than 32 credits in a student's entire program are taken directly through Edgewood College courses. This applies to residency and not to the 18-credit rule. Exceptions to this rule will occur only in extreme circumstances and require prior written permission of both the student's academic advisor and the Dean of the School of Business.

A student will be required to complete a Major Area Test in Business during his/her final semester. This examination is for program assessment purposes and scores will not be used to determine eligibility for graduation.

All Business courses numbered 300 or above have the following prerequisites:

- » R-ENG 151 Research Paper Writing
- » Prior completion of 40 credits. (Accounting courses are exempt from the 40-credit rule.)
