Policies:

For the completion of the Education Professional Requirements and licensure requirements for early adolescence through adolescence (see EDUCATION). A Computer Science Teaching major must be accepted to Emergent Professional Transition before being admitted to ED 459U; progress through transition steps is recommended as early as possible.

A student must have a cumulative GPA of 2.5 or higher in CS 180, CS 270 and CS 220, or written consent of the department before he/she may declare a major in Computer Information Systems, Business/Computer Information Systems or Computer Science Teaching. A student must have a cumulative grade point average of 2.5 or higher in all computer science courses in order to earn a major in Computer Information Systems, Business/ Computer Information Systems or Computer Science Teaching.

A minimum of three computer courses in the majors at or at above the 300 level must be taken in the Computer and Information Systems department at Edgewood College.

Courses in computer science taken more than five years ago may not be accepted. Such courses are accepted at the discretion of the department. Any course requirement other than the minimum residency requirement and all 400-level courses, may be satisfied through examination, or Credit for Prior Learning. Courses in the department may not be taken as Pass/Fail. Courses in the Department of Computer and Information Systems may not be audited.
