Policies:

Students should consult their academic advisor to learn the details about how the COR 3 requirement can be satisfied.

Emphasis is on the use of French in the classroom beginning with first-year classes. Advanced classes are conducted in French. Upper level courses may be repeated for credit, provided the content is different. Students with three or more years of the same high school language cannot take 101 of that same language at Edgewood College.

Transfer students who intend to continue in language should consult the Foreign Language Department for assistance in choosing the appropriate level course.

All non-teaching minors must pass with a minimum grade of "B" in at least one of the courses listed above.

If the department rotation of required 300 and 400 level courses does not permit students in the minor to take them at the College, they may take them at UW-Madison through the Collaborative Program.
