Policies:

A student must maintain a cumulative grade point average of at least 2.0 in all courses taken to fulfill the major and concentration requirements. If a course is retaken, only the most recent grade is taken into consideration in calculating the cumulative grade point average. Any course in which a student receives a grade below "CD" will not be accepted toward the major. Transfer students must take a minimum of 12 chemistry credits at Edgewood College. All transfer courses must be approved by the department.
